Trinh Tran Duc Anh

.NET DEVELOPER

0928875697 | anhtrinhtran3@gmail.com | https://github.com/hkladoi | Cau Giay, Hanoi

CAREER OBJECTIVE

Short-term objective: I want to contribute as a C# Web Developer, apply my ASP.NET knowledge in production, and strengthen my ability to build modern, secure web applications.

Long-term objective: I aim to become a strong backend engineer who can design and deliver complex, high-performance systems. I plan to deepen my knowledge of software architecture, APIs, microservices, and cloud platforms to build flexible and scalable products.

EDUCATION

FPT POLYTECHNIC COLLEGE **Sep 2021 - Dec 2023**

Software Applications

WORK EXPERIENCE

InfoPlus Co., Ltd. **Apr 2025 - Present**
